HOW TO DETERMINE AGE GROUP

1. Your dancer's age for a feis in 2010 is determined by his/her age as of January 1st, 2010.
2. Your age category is determined by your age as of January 1st, 2010, taking how old you are going to turn in 2010 and placing yourself under that age category.

Example: Joanna Smith was born on June 19th, 1997

**Joanna was 12 as of January 1st, 2010 and is going to turn 13 in the year 2010.*

**Joanna's "feis age" is 12 for all of 2010 (Jan. 1st – Dec. 31st)*

**Joanna is in the Under 13 Age Category*

"Over" Age Categories:

1. If you are 18 as of January 1st, 2010 this means you will be turning 19 in 2010. You would be in the "O18" Age Category which is 18 and Over.

All competition numbers correspond to dancer's "feis age"

**First digit indicates level – ie, all "3s" are Beginner 2 Girls*

**Second/Third digit indicates "feis age" – all dancers 12 as of January 1st, 2010 and in the Under 13 Age Category will have 13 as their second and third digit for competition numbers.*

**Letters at the end indicate which dance – all Reel competitions will be indicated with an "R."*

For the purposes of this Rule a competitor whose birthday occurs on 1st January shall be deemed to be under the age attained on that date.

 - b. Failure to report on time to compete. (Penalty: disqualification from said event)
 - c. Falsification of age or other important facts – i.e., teaching, award winning, competing under another competitor's name or number, etc.
- Penalty for a) or c): Competitor will be disqualified from the Feis at which the occurrence happened and from all NAFC – registered Feiseanna for a period of one year beginning at the date of the occurrence.
4. Competitions may be closed if there are no competitors at the assigned stage ready to compete when the competition is scheduled or announced. This does not pertain to a situation where competitors are involved in stage conflicts and such conflicts will be handled by the stage monitor.
 5. Solo competitors in First Feis, Beginner (Beginner 1), Advanced Beginner (Beginner 2), Novice or Open (Prizewinner) competitions:
 - a. Must compete in their own age group.
 - b. Must be prepared to perform two steps in each event.
 - c. **Cannot change competition on the day of the Feis.**

With the exception of First Feis and Beginner 1, a dancer's level is determined in each dance (Reel, Light Jig, Single Jig, Slip-Jig, Hornpipe, Treble Jig, and Traditional Set). Traditional Set Dances are limited to those dances determined by An Coimisiun Le Rince Gaelacha as traditional set dances.

6. Steel taps or "bubble" heels on dancing shoes, display of awards, wearing of shorts or other unconventional dress is prohibited. Authentic Gaelic dress is desired. **First Feis (if offered), Beginner and Advanced Beginner, aka Beginner I and II, must wear a class costume, or a skirt and blouse.** All other categories are excluded from this rule. Modest attire is encouraged when a competitor is not dancing.
7. Competitor's number must be worn and visible to adjudicators when performing in all competitions, except in Championships. Use of reflective number covers is discouraged.
8. Awards will be determined in proportion to the number of entries in each competition and to the degree of proficiency shown.
9. Complaints must be in writing stating names and other factual information and signed by the complainant. A \$25.00 fee must be enclosed and presented to the Feis Chairman within one hour of the occurrence. The fee will be returned if the complaint is upheld.
10. The Feis Committee and any organization affiliated with same, will not be held responsible for personal injury, property loss or damage. Destruction of Feis property or rental property will be punishable by law.
11. The Feis reserves the right to reject any entry for cause, to cancel all or part of the Feis and to limit competitor's performing time. The decision of the Feis Committee is final in all matters connected with the Feis.
12. Competitors must answer all questions as required by the Feis Entry committee, including teacher's name, and enclose the entry fee when mailing. Failure to do so may result in a rejected entry. Entries must be postmarked on or before the closing date or they will be subject to a late fee or \$10 per competition (See Feis Fees on Page 2).
13. Entrants in any Championship event may not enter in any other (Grade) events, but may enter in Figure Dances. Entrants in Championships should specify, on the entry form, their choice of soft shoe, hard shoe, and set dance. **Entrants cannot change competition or category on the day of the competition.**
 - a. Dancers must qualify for open championship via the method now in place for preliminary championship, i.e. two 1st place wins.
 - b. Dancers must compete in the preliminary championship competition in order to qualify for open championship
14. Combining male and female dancers in any category is left to the discretion of each region of the IDTANA. Competitions may be combined with the next higher age group if there are less than 5 competitors entered. Competitions can only be combined up one age group. Boys and girls CANNOT be combined [except, effective 6-1-10, all boy competitions below the Preliminary Championship level with less than 5 entries must be combined with the girls competition of the corresponding age group(s), and then run as one competition.
15. Preliminary Championships are open to those who, at any NAFC recognized Feis:
 - a. Have won 1st place in both an open/prizewinner light and heavy shoe competition, and
 - b. Have never won 1st, 2nd or 3rd in Open Championship.

A dancer who wins two first place awards in one calendar year will move on to Open Championship the following year, or as soon as the second win is achieved, in any age category, in the following years. Only in the case of back-to-back Feiseanna (successive days), in which case the first win in the first Feis will not change the dancer's status for the second Feis. A dancer is required to perform a light shoe dance (reel or slip jig for ladies and reel only for men), and a hard shoe dance. A Feis can opt to offer either a) a set dance or b) a jig/hornpipe.
 - c. The regional syllabus where the Feis is being held may have different qualifications for entry.

16. Championships and Preliminary Championships require at least three adjudicators.
17. First place winners in the Open Championship category cannot return to a Preliminary or Open (Prizewinner) competition. Placing in a Regional or National Oireachtas does not change the status of a competitor. A dancer who moves into open championship must stay a minimum of 2 years. If, after two years they have not placed they are allowed to return to preliminary. An open championship dancer who places is not allowed to return to preliminary until 2 years after their last placement. The regional syllabus where the Feis is being held may have different qualifications for entry. A dancer who moves into open championship must stay a minimum of 2 years.
18. The status of the dancer does not change unless there are five or more dancers in a competition.
19. Each region may determine the system for moving dancers from one grade to another, as they see appropriate for their region. The syllabus is to contain all grade categories. A Feis Committee may combine two consecutive age categories into the higher of the two categories within that grade when less than five (5) competitors are entered. (See Rule 14, above). Competitors have the option to remain in the same category for the remainder of the Feis year. A dancer, at the discretion of the teacher, may move into the next Grade (not Open Championships) without satisfying the requirements. However, once a dancer competes in the higher level, they can never move back to a lower category. [except as outlined in Rule 17, above].

20. **Beginner (I) Grade:** A beginner is a competitor who has not yet taken a full year of Irish Dance lessons, thereby giving beginners a full year with such status. A Beginner must move into the Advanced Beginner category the next year.

Advanced Beginner (Beginner II) Grade: An advanced beginner who wins 1st, 2nd or 3rd place will advance to the Novice category in that particular dance. Competition dances are reel, light jig, slip jig, traditional treble jig and traditional hornpipe, as a minimum requirement.

Novice Grade: A novice who wins a 1st place will advance to the Open (Prizewinner) category in that particular dance.

Open (Prizewinner): Grade A competitor who does not qualify as a beginner, advanced beginner or as a novice.

Adult Beginner: An adult beginner is a competitor who never took Irish dancing lessons as a juvenile and is over 18 years of age.

21. Musicians and adjudicators cannot be approached during a competition by anyone except the Feis Committee. No one can approach them while a competitor is performing.

22. Musicians employed by the Feis Committee will be solely under the direction and management of the Feis Committee on Feis day.

23. Teachers or team captains are responsible that their teams are complete and in position when the competition is announced. Competitors may compete in the next higher age group; however, a competitor may compete in only one age group with the exception of 8 hands, which are allowed to repeat dancers at all Mid-West feisanna in accordance with the world and regional Oireachtas rules.

24. In matters pertaining to adjudication, the decision of the adjudicators is final.

25. Adjudicators are to monitor the quality of music at the stage(s) to which they are assigned.

26. First Feis, Beginner (I), Advanced Beginner (Beginner II) and Adult dancers are required to dance at traditional speeds. Novice and Open/Prizewinner dancers may choose between traditional and Oireachtas speeds.

27. The length of 2 hand and 3 hand dances in competition are to be 48 bars of music plus an 8 bar introduction.

28. In consideration of safety and in fairness to dancers performing at a Feis, photography of any kind is strictly forbidden.

A Feis may elect to allow in motion photography for publicity purposes, but the pictures are considered the sole property of the Feis and solely for Feis use only; these are not to be used for personal gain through commercial use or sale, and under no circumstances can they be published on any website or other areas, without the express written permission of the persons involved.

Additionally, a professional photographer may be formally contracted by a Feis to capture non-motion photographs, such as portrait photography, awards ceremonies, etc. and/or in motion photography provided it is taken at a vendor station or suitable location: (a) away from the dancing stages and, (b) requested by a consenting parent, guardian, or dancer (over the age of 18).

29. No block, en Pointe, toe walking movements, stationary or moving is allowed to be performed for all ages up to and including the under 12 age group. However, after September 1 of each year an exception is made for those dancers who are 11 dancing in the under 12 age group.

30. Make up is prohibited on a dancer in the first three grades (First Feis, Beginner (I) and Advanced Beginner (Beginner II) or their equivalent) up to and including the under 12 age group.

31. Any competitor found to be using artificial carriage aids and subsequently refuses to remove same, will be subject to disqualification from that particular competition. Medically prescribed aids (proof of which may be required) will be exempt from this rule.

32. Each Feis is required to list their adjudicators on their syllabus and/or website at least three weeks before the close on entries. One third of which are to be from outside the region where the Feis is being held.

33. Competitors in girl's competitions at the First Feis (if offered), Beginner and Advanced Beginner Grade will wear only the competitor's dancing School costume or a skirt and blouse.

PRELIMINARY CHAMPIONSHIPS

A dancer who wins 1st place in each of the Open dances (reel, slip-jig, treble jig, and hornpipe) can move into Preliminary Championships with teacher's permission. Boys and Girls will compete against each other, however if there are at least 5 boys entered, the boys will be moved into a separate competition. In cases where a Feis elects to split a competition due to a large entry, the split must be done by birth date age in the same manner as the North American Championships.

Dancers will perform 48 bars of the reel or 40 bars of the slip-jig **and** 40 bars of the hornpipe or 48 bars of the treble jig.

Preliminary Championships will be judged and scored by all 3 judges. In addition, awards will also be announced for each solo round (light and heavy round) based on the scores of one judge (different judges scores for light and heavy).

OPEN CHAMPIONSHIPS

A dancer who wins two First Place awards in one calendar year will move on to Open Championship the following year, or as soon as the second win is achieved, in any age category, in the following years. Only in the case of back-to-back Feiseanna (successive days), in which case the first win in the first Feis will not change the dancer's status for the second Feis. Placing in a Regional or National Oireachtas does not change the status of a competitor.

Dancers will perform: 48 bars of reel or 40 bars of slip-jig, 40 bars of the hornpipe or 48 bars of the treble jig, and a Set Dance. A Feis may elect to have a recall of 50% of the competitors for the set-dance round if there are over 20 dancers in the competition.

Open Championships will be judged and scored by all 3 judges. In addition, awards will also be announced for each solo round (light, heavy, and set) based on the scores of one judge (different for each round).
